COMPANY OVERVIEW

PingPing Global Services LLC is a Texas small business providing janitorial, facilities support, building services and technology solutions to public-sector and commercial clients. We combine direct owner oversight, responsive communication and disciplined operational controls to help clients maintain clean, safe facilities and reliable technology environments.

CORE COMPETENCIES

- Routine janitorial and custodial services
- Office, restroom and common-area cleaning
- Carpet and upholstery cleaning
- Turnover, move-in and post-project cleaning
- Facilities support coordination and building services
- Quality-control documentation and responsive issue resolution

TECHNOLOGY SERVICES

- Computer systems design and implementation support
- Identity and access management and cybersecurity operations support
- Windows/Linux systems and application support
- Monitoring, automation, incident/change coordination and continuity documentation

SERVICE DELIVERY APPROACH

- Site-specific work plans and service schedules
- Documented inspections, issue tracking and corrective action
- Clear communication and escalation through a designated point of contact

RELEVANT EXPERIENCE

Leadership experience supporting regulated enterprise technology operations, including access governance, systems administration, monitoring, automation, business continuity, incident/change management and audit-ready documentation.
